Welcome, ABTB Atlanta!

As of May 31st, we are proud to announce the addition of 38 Taco Bell Restaurants and 1 KFC in the great State of Georgia. While the stores span a decent radius, we are referring to the market as Atlanta!

Team Atlanta will be led by their fearless leader, Jesse Moreland. Jesse helped oversee many of the Atlanta restaurants in a previous life, and agreed to return once he learned that Southpaw would be taking over. We are so fortunate to have Jesse on board and we are beyond fortunate to be inheriting so many wonderful managers and above-store leaders in Atlanta. We can't wait to see what this market can do, and look forward to showing them how much Southpaw has to offer!

**Welcome to the Southpaw
family, Team Atlanta!**

Nikki Logarta

Human Resources Assistant

Nikki started her professional career as a trainer in a call center of a multinational company. She's trained over 50 professional representatives!

In 2015, she met Judd and Erica Wishnow who gave her the opportunity to join them in their most profoundly valuable project - raising their family. Harrison and Harley have been her world since she met them. While raising the kids, she was also working for Southpaw (then ABDD Capital) on the side.

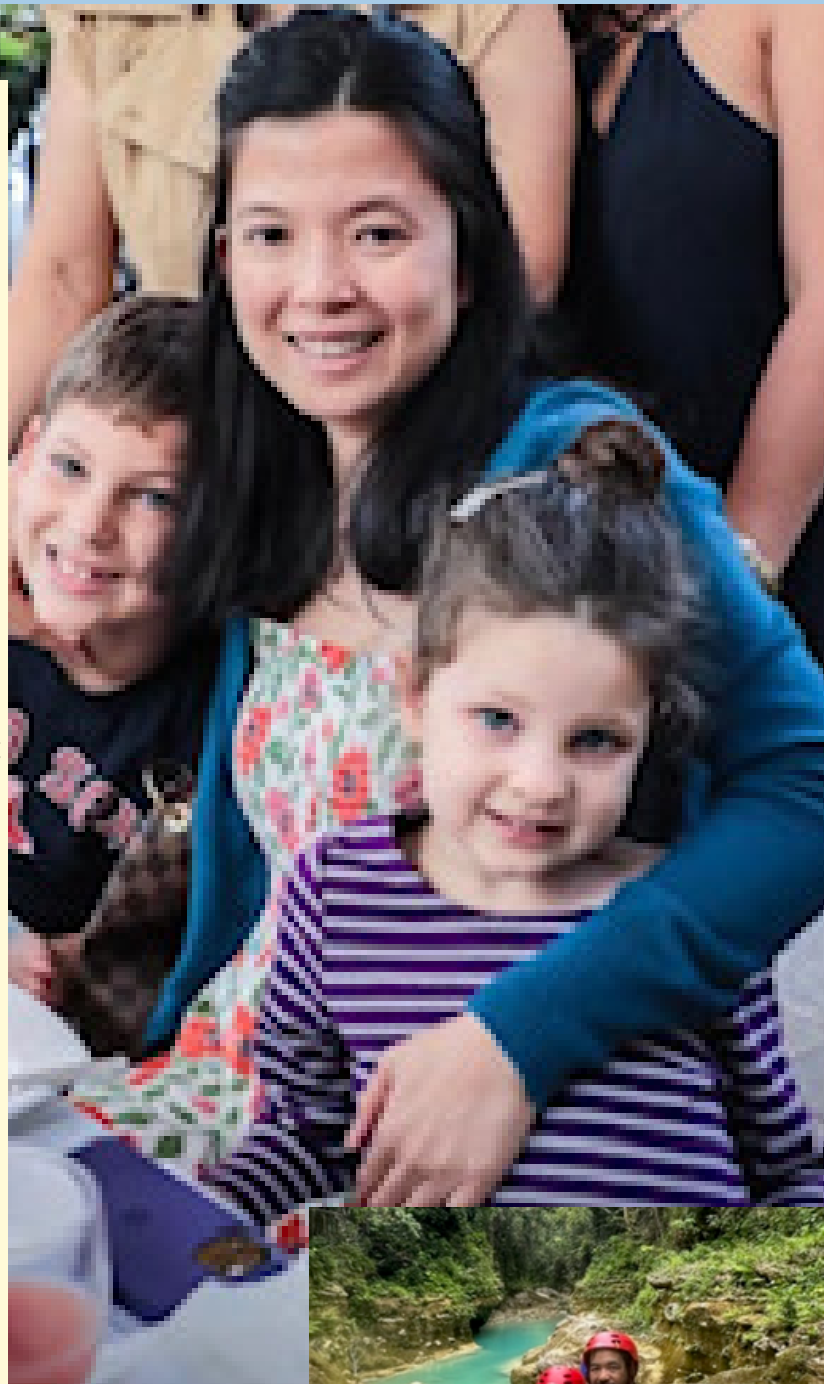

In 2021, she started a new chapter by transitioning to Southpaw full-time, supporting Tracy, Lauren and the HR & Payroll team. Nikki says the team gives her the opportunity to be a better version of herself by providing ad-hoc training and by being her number one cheerleaders.

As part of her self-care routine outside of Southpaw, she enjoys doing Muay Thai with her husband, Mickey, in the evenings. On the weekends, they love spending their time together, going to new places for brunch, and going on long walks by the river.

Nikki's Dunkin Order: Large Hot or Iced coffee with almond milk and 1 Splenda, Sourdough breakfast sandwich and hashbrown

Nikki's Taco Bell Order: Steak Quesadilla

3 words to describe Nikki: Proactive, Determined, Big-Hearted

Everybody Counts

This year, Southpaw Taco Bell in Kentucky is proud to announce we are one of the businesses partnering with the Governor's Everybody Counts program. The Everybody Counts program provides high school seniors from participating Kentucky school districts guaranteed job opportunities with business partners as well as postsecondary resources and support. Our first event was the Kentucky Derby Festival Block party. All business partners had the space to advertise and promote their job opportunities available to local Seniors participating in Everybody Counts program.

Q2 Recognitions

In May, the KY team hosted their 2nd Quarter RGM meeting at Jim Beam Distillery. We kicked off the meeting with some rewards and recognition for outstanding performance in the 1st quarter of 2023. After rewards and lunch, our RGMs and Area Managers broke up into 3 groups and were escorted on private tours of the Jim Beam Distillery and grounds.

During the meeting, we wanted to shine a spotlight on RGM, Charley Frank. Charley runs our Westport location, and they just earned the title of Signature Store for the 2nd year in a row. Charley earned a Vacation/Trip voucher for her and her kids to go to Great Wolf Lodge in Ohio. Charley was the only Signature store in the KY Market! Way to go, Charley!!

What's going on in Dunkin' West:

Coffee for A Cause

Our Bethany Home Location had a visitor from News 3 where their reporter Ian Schwartz worked their drive-thru for a cause! One dollar of all iced coffees went to Children's hospitals in Arizona. Kannon, our Southpaw employee, is 5-years cancer free and we were so glad to celebrate him!

Employees of Q2

Celebrating Petrina's Employee of Q2, Kingman baker, Tiffany Martin. She has been with Southpaw since 2020. In her spare time loves spending time with family. She has gone to different stores to help train bakers, too! Veronica Knisley is her GM of the month! She has been with us since 2019 and was hired as crew. She has since moved up each title position to RGM! Outside of the store, she loves spending time with her daughters. Veronica has helped with training all positions.

What's going on in Taco Bell Mid-Atlantic:

Chris' Outstanding Teams

The month of May was a quiet month in the Mid-Atlantic market, however we still had time to recognize some outstanding leaders!

RGM of the Period in the Central region (Chris Buckley's team) Jagdish Sharma.

Top RGM in Team Central with a Supreme Rating of 4.7 – Ricky King

Finally, Chris recognized Team Central with a celebratory lunch. What a great 2023 so far, Team Central!

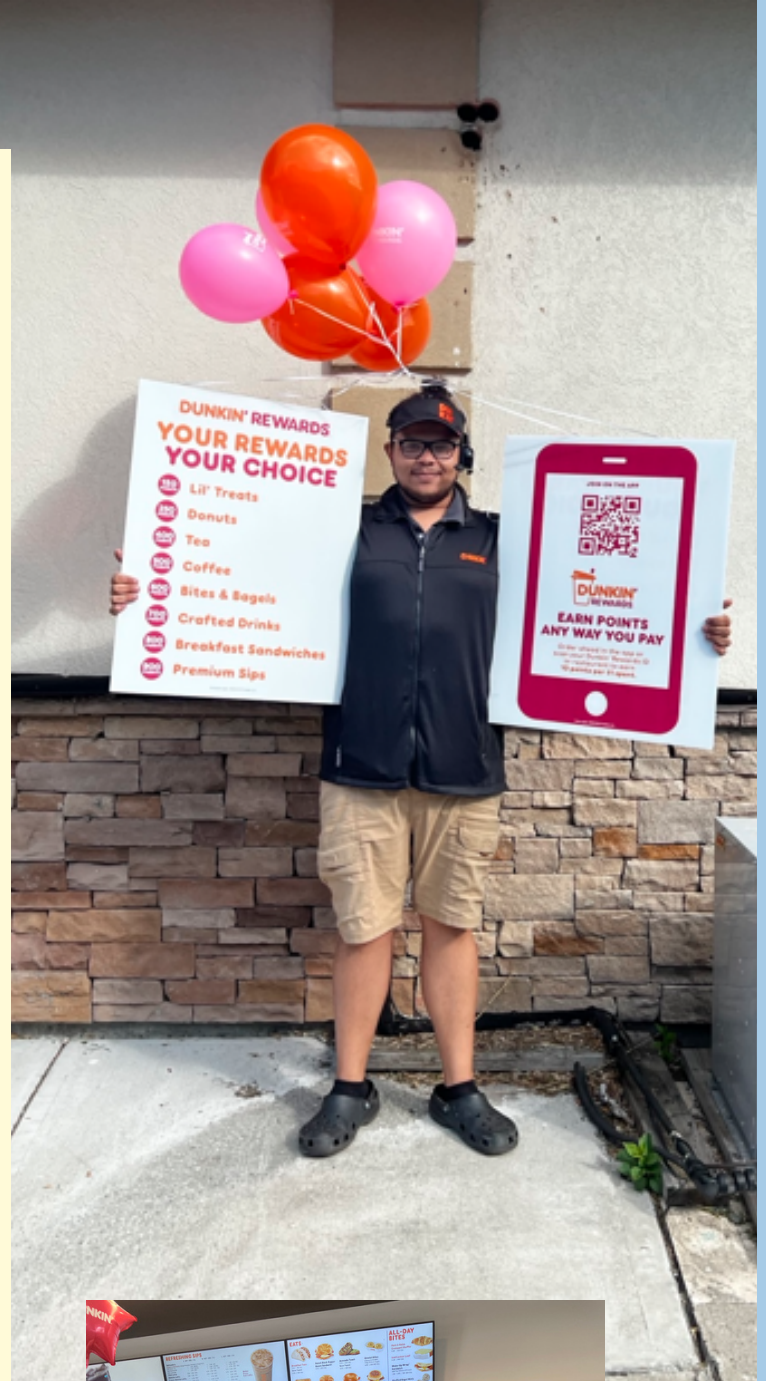

What's going on in Dunkin' East:

A Rewards Rally

Salt Point held a Rewards Rally in May. Employees spoke to guests in the drive-thru and handed out fliers to get customers to sign up for Dunkin' rewards!
